## INSPECTION FREQUENCY CHANGE REQUEST FORM

(Rev. Nov. 2017)

To: Bridge Inventory Management Unit

**MnDOT Bridge Office** 

3485 Hadley Avenue North, Oakdale, MN 55128-3307

**Send email to:** BridgeDataRequests.dot@state.mn.us

Subject: Request for Change of Bridge and Culvert Inspection Frequencies

I acknowledge that this form was prepared by me or under my direct supervision:

Approval is requested to inspect bridges on an interval not to exceed 24 months, and culverts on an interval not to exceed 48 months.

Choose one of the following:

- 1. Fill out the table below, complete, sign, and submit this form (or email a scanned copy).
- 2. Print the Inspection Frequency Report for your agency (located on MN/DOT Bridge Office Web site), note any changes on the report (do not fill out the table below). Complete, sign, and submit this form along with the report (or email a scanned copy).
