**Commercial Driver's License Endorsements:** A CDL driver must obtain State-issued endorsement(s) to their CDL to operate the type(s) of motor vehicles described below. CDL drivers are required to pass written and/or skills test(s) to obtain each endorsement. The following list shows the CDL endorsements with the CDL License designation:

T – Double Trailer or Triple Trailer Combinations

P – Passenger

N – Tank Vehicles

H – Hazardous Materials

S – School Bus

X – Hazardous Materials and Tank Vehicles

**Commercial Drivers License Restrictions:** A CDL driver/applicant will have restriction(s) placed on their CDL if they fail certain portions of the written test, take skills test with restricted vehicles, or if the driver is subject to other restrictions. A driver with a restriction appearing on their CDL must comply with the restriction while operating a CMV requiring a CDL. The restriction(s) placed on the CDL include:

L – No air brake equipped CMV

Z – No full air braked equipped CMV

E – No manual transmission equipped CMV

O – No tractor-trailer CMV

M – No Class A passenger vehicle

N – No Class A or B passenger vehicle

K – Intrastate only

**Medical Self-Certification:** A driver who applies for a Minnesota CDL will need to certify the following information with Minnesota Driver and Vehicle Services (DVS):

- The type of driving they are engaged in (interstate or intrastate); and
- Whether they are subject to or exempt from the medical certification requirement of 49 CFR Part 391 or Minn. Stat. § 221.

The Commercial Driver License Medical Self-Certification Form must be completed. If the driver certifies they are subject to medical certification, the driver must provide a copy of a valid medical examiner's certificate and any required Skill Performance Evaluation Certificate or medical waiver. For Commercial Driver License Medical Self-Certification Forms, visit the MN Department of Public Safety website at <https://dps.mn.gov/divisions/dvs/Pages/commercial-driver-license-medical-self-certification.aspx>.

**Background Checks for Drivers with CDL Hazardous Materials Endorsements:** Minnesota Driver Vehicle Services cannot issue, renew, upgrade, or transfer a hazardous materials endorsement for a CDL to any individual unless the Transportation Security Administration (TSA) has determined the individual does not pose a security risk warranting denial of the endorsement. To obtain, renew, upgrade or transfer a hazardous materials endorsement for a CDL, a driver must:

1. Complete a security threat assessment application online at <https://universalenroll.dhs.gov/programs/hme> or by calling toll free (855) 347-8371;
2. Submit your fingerprints at an authorized collection site. Go to <https://universalenroll.dhs.gov/locator> to locate the nearest authorized fingerprint collection site. Note: At the fingerprint collection site, you will be required to present two forms of TSA acceptable identification. TSA will no longer accept a driver's license and medical certificate as identification documents. A list of acceptable enrollment (identification) documents is listed on the TSA website: [www.tsa.gov/for-industry/hazmat-endorsement](http://www.tsa.gov/for-industry/hazmat-endorsement);
3. Take and pass the Hazardous Materials Endorsement knowledge test at a Minnesota driver's license examination station; and
4. Apply or renew your CDL at a full service Minnesota driver's license examination station or driver's license renewal office.

Drivers renewing CDL Hazardous Materials Endorsements must complete all steps at least 30 days before the CDL expires in order to maintain continuous Hazardous Materials Endorsement privileges.

**Restricted CDL for Certain Drivers in Farm-Related Service Industries:**

Employees of designated farm-related service industries may qualify for a restricted class B or C CDL. Designated farm-related service industries include:

- Agri-chemical businesses;
- Custom harvesters;
- Farm retail outlets and suppliers; or

Applicants must have held a valid driver's license for at least one year. A restricted CDL will only be issued to applicants having a good driving record. A good driving record means that an applicant:

- Has not had any license suspended, revoked, or canceled;
- Has not had any conviction for any type of motor vehicle for disqualifying offenses or serious traffic violations (see 49 CFR 383.51); and

A Restricted CDL is valid for 180 days in a 12 month period, and must be renewed each year. Restricted CDL drivers are limited to operating Class B and Class C vehicles. Restricted CDL drivers may not drive vehicles carrying placardable quantities of hazardous materials except for:

- 1,000 gallons or less of diesel fuel;
- Liquid fertilizers, including anhydrous ammonia, in vehicles with a total capacity of 3,000 gallons or less\*; or
- Solid fertilizers that are not transported with any organic substance.

*\*Note: Anhydrous ammonia trailers equipped with more than one tank may meet the definition of a Class A vehicle combination and cannot be operated by a driver holding a Restricted CDL.*

Restricted CDL holders may not hold an unrestricted CDL at the same time. Restricted CDL holders may not operate a commercial motor vehicle beyond 150 miles from the place of business or farm currently being served.

**Drivers Exempted from CDL Requirements. The following drivers are not required to have a CDL:**

- Individuals who operate CMVs for military purposes;
- Operators of a farm vehicle (see MN Non-Commercial Drivers Licenses - Class D License);
- Firefighters and other persons who operate CMVs which are Authorized Emergency Vehicles; or
- Operators of Covered Farm Vehicles (See Section 20 for definition of Covered Farm Vehicle).

**CDL Disqualification:** A driver will be disqualified from operating a CMV requiring a CDL if convicted of any of the following offenses:

- Being under the influence of alcohol or controlled substances while operating any motor vehicle;
- Having an alcohol concentration of .04 or greater while operating a CMV;
- Leaving the scene of an accident;
- Using a vehicle to commit a felony;
- Driving a CMV when the driver's CDL is revoked, suspended or cancelled or the driver is disqualified;
- Convictions of serious traffic violations (see Table 2 of 49 CFR 383.51);

- Operating a CMV in violation of an out-of-service order; or
- Causing a fatality through negligent operation of a CMV.

Convictions of certain offense committed while operating a non-CMV can disqualify a CDL driver. Periods of disqualification vary based on the nature of the violation and whether the violation is a first or subsequent violation.
