

# 2019-2020

## ATP-7 Tentative Meeting Schedule

ATP-7 oversees federally-funded projects in the Area Transportation Improvement Program (ATIP) and authorizes changes to the Statewide Transportation Improvement Program (STIP) in the 13-county area. Solicitations for federal Surface Transportation Program Block Grant (STPBG) funds and ATIP deadlines follow roughly the same timeframe on an annual basis, which drive the meeting times. Throughout the year, ATP-7 also hosts legislative forums, is asked to provide input on MnDOT projects, and receives regular updates on current and planned highway projects. The following list is the tentative list of meeting dates for the upcoming year, with recurring items listed below:

### Friday, September 13, 2019

This meeting serves as the beginning of the ATP-7 role in the development of the 2021-2024 ATIP. Membership is reaffirmed, operating procedures reviewed, and a chair is selected to guide the upcoming solicitation and review process.

### Friday, November 8, 2019

Prior to STPBG applications becoming available, ATP-7 reviews subcommittee recommendations for the upcoming solicitation.

### Friday, January 10, 2020

Updates are provided on federal funding targets for the 2021-2024 STIP. STPBG applications have been received and the scoring process begins.

### Friday, March 8, 2020

ATP-7 reviews rural, small urban, and Transportation Alternatives subcommittee recommendations for STPBG funding in addition to projects selected for federal funding through a statewide solicitation. Candidate 2024 highway projects are also reviewed.

### Friday, June 12, 2020

The draft 2021-2024 ATIP is reviewed by ATP-7. An update of the Capital Highway Investment Plan for years 2025-2030 is also provided.

Between June and September of 2020, organizations that have expiring or annual appointments to ATP-7 are to reaffirm or appoint their representative.
