

Milan Bridge Taskforce Meeting #4

November 19, 2015

10:30 am to 12:30 pm

Our Taskforce Vision of Success is:

“The Milan Bridge Project is a success because it enhanced public safety, improved recreational opportunities, addressed historical and environmental concerns, while supporting the local economy through developing the structure in a timely and collaborative manner that met the transportation needs of the local community while efficiently using public dollars”

10:30 am– Review Progress, Discuss Final Report Development, and Decision Making

Grounds Rules:

- Listen
- Respect Each Other
- Participate
- Have an Open Mind
- Look for Common Goals
- Respect Others Time
- No Name Calling
- Use a Normal Voice

10:45 am – Continue to Develop Recommendations for MnDOT Formal Decision Making

Topics to be discussed include:

- Making the Case for a Replacement Bridge (Large Group Exercise)
- Safety for Pedestrians (Small Group)
- Historical Interests (Small Group)
- Final Option Verifications

“The key is not to prioritize what’s on your schedule, but to schedule your priorities.”

– Stephen Covey

12:15 pm – Next Steps, Non-Taskforce Comments, and Open Agenda
