## Typical Sections (Existing & Proposed)

LAC QUI PARLE BRIDGE – EXISTING CONDITION

LAC QUI PARLE BRIDGE – PROPOSED CONDITION

## Section 106 Historic Review

The Milan Bridge is located within the “Lac qui Parle Flood Control Project Historic District” which is eligible for the National Register of Historic Places.

Section 106 of the National Historic Preservation Act requires that project planners and other interested parties consult on ways to avoid, reduce, and mitigate negative effects to historic resources caused by the bridge replacement.
