

MINNESOTA DEPARTMENT OF TRANSPORTATION

JOB FAIR

Visit with MnDOT maintenance employees about their jobs, the benefits of working for the State and the opportunities for exciting work on the road and in our communities. We're hiring 25 maintenance workers in the spring 2017. You'll also have a chance to see equipment and ask questions. Some of the work our maintenance employees perform includes plowing roads, mowing roadsides, patching pavement, and removing debris to keep roads safe and traffic moving.

WHEN:

Saturday, Jan. 7, 11 a.m.–2 p.m.

(stop by any time during these three hours)

If we must cancel this event because our crews need to plow roads during a storm, the back-up date will be Saturday, Jan. 14. Please check the website and telephone recording below for updates.

WHERE:

244 E. Maryland Ave, St. Paul, Mn 55117

(MnDOT's Maryland Avenue Truck Station)

You do not need to register for this free event. All are welcome.
