## Scag Mower Warranty Policy Summary

### Scag WARRANTY

Since Scag Power Equipment was established in 1983, we've built an industry-wide reputation for producing reliable, heavy-duty commercial equipment. We are proud of the quality of our mowers and their well-earned reputation for durability. The Scag warranty policy shows our commitment to you and to the products we manufacture. See your local Scag dealer for details on the warranty policy or reference the Limited Warranty Statement included in your Operator's Manual.

**2-Year Commercial Machine Warranty:** Frame and structural components including oil reservoirs, fittings, oil coolers, electrical switches and clutches, pulleys, hydraulic pumps and wheel motors are covered for two years of commercial use. This warranty covers manufacturing defects for two years, including parts and labor (excludes wear items). See the warranty statement in the operator's manual for details. Excludes Freedom Z, Freedom Z Pro and Liberty Z-- see below for SFZ, SFZP & SZL warranty details.

**3-Year or 500-Hour Non-Commercial Machine Warranty:\*\*** Frame and structural components including oil reservoirs, fittings, oil coolers, electrical switches and clutches, pulleys, hydraulic pumps and wheel motors are covered for three years or 500 hours (whichever comes first) of non-commercial use. This warranty covers manufacturing defects for three years or 500 hours (whichever comes first), including parts and labor (excludes wear items). See the warranty statement in the operator's manual for details.

**3-Year Cutter Deck Warranty:** Scag Velocity Plus and Advantage cutter decks continue to be the strongest and best performing in the industry. We cover them against manufacturer's defects for three full years. This warranty covers parts and labor for the first and second years, and parts only for the third year. These reliable decks are built to hold up under extreme conditions with features like the Tri-Plate deck top. Applies to commercial and non-commercial use (Excludes SFW, Freedom Z, Freedom Z Pro, Liberty Z and SWZT).

**3-Year Cutter Deck Spindle Warranty:** Most Scag mowers are equipped with the exclusive Scag heavy-duty cutter blade spindle. Scag spindles have a cast-iron housing for increased shock load strength and tapered roller bearings for 50% more load-carrying capacity than ball bearings. For easy maintenance and seal protection, our grease fittings are top-mounted and have a grease relief valve to prevent over greasing. We ensure our spindle's dependability, not only through its top-quality construction, but also through complete coverage of parts and labor for the first and second years, and parts only for the third year. Applies to commercial and non-commercial use (Excludes SFW, Freedom Z, Freedom Z Pro, Liberty Z and SWZT).

**90-Day Wear Item Warranty:** Wear items including drive belts, blades, hydraulic hoses, tires, batteries and rental use are warranted for 90 days
