COMMENT PERIOD NOTICE

The MCWD is reviewing the following permit application. MCWD Rules require notice to all property owners within 600' of the proposed permitted area as a courtesy, in the event there are any questions or concerns.

14-065: The Minnesota Department of Transportation has applied for a Minnehaha Creek Watershed District permit for Erosion Control and Stormwater Management for road construction located on TH 100 from 36th St. to Cedar Lake Rd. in the city of St. Louis Park. The project would result in an increase in impervious surface over the 63.75 acre project site, which ultimately drains to Twin Lake and Bass Lake.

Individuals with questions or concerns regarding this permit may contact Brandon Wisner at 952-471-0590 X 505 or bwisner@minnehahacreek.org.

Interested parties may request that a public hearing on this permit application be scheduled before the MCWD Board of Managers. Requests for a public hearing must be in writing and received at the MCWD offices prior to 4:30 PM, April 8th, 2014.
